For placing classes, you will be asked to bubble in the numbers of the first 3 numbers of your placing. When you mark the first 3, the 4th is known. Above you see the correct marking for a placing of 4-2-1-3 (Halter 1), 3-1-4-2 (Halter 2), 1-4-3-2 (Halter 3), 3-4-1-2 (Performance 1), 2-3-1-4 (Performance 2), and 4-3-2-1 (Performance 3). You must bubble the numbers as the scanner does not read the hand written numbers.
