

Abby Feldpausch

2018-19 NC District Reporter

My name is Abby Feldpausch, I am the daughter of Brian and Jen Feldpausch and the older sister of Nick and Will Feldpausch. I live outside of Beaman, Iowa on my family's sixth generation, 150 year old farm! On the farm, we raise beef cattle, pigs, corn, and soybeans.

I am currently a sophomore at BCLUW High School in Conrad. Outside of FFA I am involved in cheerleading, golf, softball, student council, show choir, National Honor Society, FCCLA, fall musical, spring play, and youth group.

While living on the farm I have been fortunate enough to have the opportunity to show cattle and pigs at both the county and state fair!

In the future I plan to attend a 4-year university and major in an agriculture related field. I am so excited to meet lots of amazing people and serve the North Central District in the upcoming year!

Chapter:

BCLUW

SAE:

Beef Production
