

Keagan Betsinger

Secretary

Hello, my name is Keagan Betsinger. I am the daughter of Joel and Kathy Betsinger. I have an older sister that I look just like that attends Hawkeye Community College. I am currently a Junior at Nashua-Plainfield Jr. Sr. High School where I am involved in golf, NHS, wrestling managing, and of course FFA. I have also been involved in competition and football cheerleading, Youth Group, and volleyball. As well as being a District Officer, I am currently serving as the Vice President of the Nashua-Plainfield FFA Chapter.

FFA has made me more involved with my animals. Being involved with animals has driven my passion to work in an animal related field.

After graduation, I plan on attending Hawkeye Community College to double major in Animal Science and Agriculture Business then transfer to Iowa State.

I am beyond excited to meet so many members of the chapters in the North Central District this year.

Chapter:
Nashua-Plainfield

SAE: Beef
Entrepreneurship
and Diversified Ag
Placement
