

Anna Babcock

2018-2019 NC Vice President

Hello my name is Anna Babcock and I am from the Gilbert FFA chapter. My parents are Annette and Tony Babcock. I come from a large family. I have six siblings- 2 sisters and 4 brothers. Although there are a lot of us I wouldn't trade my family for the world!

I am passionate about people and truly love spending time creating purposeful relationships with them. I am currently serving as our chapter president. I am a junior at Gilbert High school and participate in no sports;) Bad hips are a bummer but they gave me the opportunity to dedicate myself to FFA.

Although, I live in town I had the opportunity to have a market lamb a few years back and thoroughly enjoyed the experience. In the summer you can find me helping out in the family garden where we raise my favorite vegetable-Broccoli.

In the future I plan to attend college to get my BSN in Nursing. I can't wait to meet members from all around the state and serve the North Central District this year!

Chapter:

Gilbert

SAE:

Specialty Crop
Production
