

Jacob Stenzel

2018-2019 SW District Treasurer

Hey! I am Jacob Stenzel, most people call me Jake, but I will answer to anything. I am the son of Steven and Wendi Stenzel. My older brother's name is Matt and he attends Iowa State University. My younger brother is Nathan and he is 10. I am currently a senior at Shenandoah High School.

I am involved in football, track and field, 4-H, NHS, student council, prayer team at my church, and the best of them all, FFA.

I am currently serving as your Southwest District Treasurer, and I serve as the Davis Rodgers Chapter President. My next favorite activity is 4-H and I have held many different offices. I do welding and woodworking projects in 4-H and have had several go to the State Fair. I have grown up on my families farm with about 4,000 acres of row crop. This is where I got my passion for Ag and this got me interested in FFA. My FFA advisor Mrs. Martin has helped me along the way and encouraged me to do things out of my comfort zone. She is the reason why I ran for district office and I am happy to call her my advisor. FFA is a great organization and the only one that offers opportunities like driving your tractor to school and sticking your hand in a cow. I would recommend FFA to everyone because of the great opportunities it has to offer.

Some of my favorite FFA memories include National Convention, Numerous State Conventions, Welding, Ag Broadcasting, and chapter cookouts, but most of all I enjoy the connections and getting to know people from across the country.

Chapter:

Davis Rodgers in Shenandoah

SAE:

Ag Placement

Favorite Color:

Green

Fun Fact:

My favorite color is green because of John Deere (if it's red, leave it in the shed)

Favorite FFA

Event:

National Convention and chapter cookouts
