

# Karson Hennings

## SW Sub-District Vice President 2018-2019

My name is Karson Hennings and I am the son of Kurt and Jill Hennings. I have an older sister, Kassie, and a younger brother, Kyle. I live on a five acre farm just outside of Dysart, Iowa where I currently raise meat goats to show at the state and Benton county fair. I have five goats right now and I hope to keep expanding my herd in the future. I am 17 years old and I attend Union High School. I am involved in cross country, tennis, band, boy scouts, and of course FFA. My love for agriculture started because of my families involvement in the agricultural industry, and it has grown immensely because of my involvement in FFA.

My favorite FFA memories would be state and county fair, State and National Convention, participating in the creed speaking CDE, being a Chapter officer, and being elected as a District Officer.

I plan on either attending DMACC or Hawkeye Community College and majoring in animal science.
