*IOWA STATE FAIR * AUGUST 9-19, 2018*
DATA COLLECTION BOOKLET
FFA NOMINATION AND ENTRY PROCESS

NOMINATION CHANGES FOR 2018

Meat Goats - If using a registry tattoo number for identification rather than a State Fair tag, list tattoo number on the DNA envelope.

Swine - The Derby Show is being replaced with a Carcass Value Contest. There will be no spring weigh in. For more information, please see the FFA Premium Book.

FAIR TIME CHANGES FOR 2018

Swine - All swine will use declared weights. For more information, see the FFA Premium Book.

DATA COLLECTION BOOKLET

This booklet is provided to assist advisors and exhibitors in collecting data needed for State Fair FFA nominations. It is for data collection purposes only. All nominations must be submitted online on or before the nomination deadline. Paper copies will not be accepted. Advisors are encouraged to obtain signatures on the data collection forms and keep them on file for their records. It is the advisor and member's responsibility to verify the data before the nomination/entry is submitted.

FFA PREMIUM BOOK

The FFA Premium Book is available on the Iowa State Fair website at http://www.iowastatefair.org/participate/competition/how-to-enter/#ffa. **Please read the FFA General Rules for specific instructions on nomination/entry submission and deadlines.** Also read each department section where your chapter has nominations/entries.

TAGS

Advisors are to use the Tag Order Form to request tags for their chapter. All unused tags, including broken tags, must be returned by the noted due date. **Chapters will be invoiced $4 per tag for unreturned tags. Chapters will not be issued tags until all past due fees have been paid.** The fee for tags used on animals not nominated for State Fair is $4 per tag. Please notify the Entry Department of these tag numbers when submitting payment.

An FFA advisor and one other adult must be present to witness the tagging and DNA collection of all performance beef (along with nose prints), pigs, market lambs, commercial ewes and meat goats. UNDER ABSOLUTELY NO CIRCUMSTANCES SHOULD EXHIBITORS BE ALLOWED TO TAKE HOME TAGS OR DNA SAMPLE ENVELOPES AND DO THE WORK THEMSELVES WITHOUT THE SUPERVISION OF AN FFA ADVISOR AND ANOTHER WITNESS.

If an animal loses an ear tag, exhibitors are to replace it with a new tag. Contact the Iowa State Fair FFA Entry Department prior to the Fair to receive a Replacement Tag Form. All animals that have a replacement tag will be subject to new DNA being collected at the time of check-in for their specific species.

OWNERSHIP

Nominations/entries in FFA registered classes MUST be registered in the name of the exhibitor. However, if ownership is with a family partnership, family corporation or school sponsored cooperative, the following information MUST be presented on the **Livestock Partnership Form**: A. name of corporation, cooperative or partnership; relationship, B. animal, C. percent ownership, D. species, E. classes to be exhibited in and F. signature of exhibitor. The **Horse Identification Form** (and three photos) must be submitted by the exhibitor for all horse nominations. If a horse is leased, a copy of the lease agreement must also be submitted.

The Livestock Partnership or Horse Identification Form (and three photos of horse) must be submitted by the nomination deadline. The registration certificate **MUST** be presented before showing when called for by the supervisor.

CHAPTER ROSTER

Students must be listed on the chapter roster with the Iowa FFA Association BEFORE they will be included in the chapter's online roster for State Fair nominations and entries. April 15 is the last day to add members to the chapter roster with the Iowa FFA Association for State Fair nominations. June 15 is the last day to add members to the chapter roster with the Iowa FFA Association for State Fair entries for those departments that do not require nominations. Members added after these dates are not guaranteed to be included in the State Fair online system. Members will be available in the State Fair online system about one week after they have been approved by Scott Johnson or Becky McCullough.

EXHIBITOR INFORMATION

After selecting a student from your State Fair online list, review the exhibitor's profile (**including address**) and enter the exhibitor's phone number, e-mail address and county. Note: Changes made to the exhibitor's profile will only be in effect for State Fair purposes. It is extremely important for the Fair Office to have the correct contact information for exhibitors. Their sale/premium checks are sent to the address you provide.

CONFIRMATION E-MAILS

Confirmation e-mails are sent to the e-mail address listed in the State Fair online advisor profile after a nomination or entry is submitted. Please make sure the e-mail address provided is correct! You can check the e-mail address in the advisor profile by logging into the State Fair Online System. Once you are logged in, click on Edit Profile. The e-mail address listed on the left side of the screen is the address confirmations will be sent to. A confirmation e-mail will also be sent to the exhibitor IF an e-mail address is provided in the exhibitor profile.

NOMINATION PROCESS FOR ANIMALS REQUIRING DNA SAMPLES OR NOSE PRINTS

**Please read the FFA General Rules at http://www.iowastatefair.org/participate/competition/how-to-enter/#ffa
for specific instructions on nomination/entry submission and deadlines.**

COST
The cost of nominating Performance Beef, Market/Carcass Lambs, Commercial Ewes, Commercial Gilts, Registered Breeding Gilts, Carcass Value Pigs, Market Pigs, Breeding Meat Goats and Market Meat Goats is $4 per animal. The payment, made payable to the Iowa State Fair, <u>must</u> be sent with the DNA samples on or before the nomination deadline. Purchase orders are not accepted.

DEADLINES
February 1st - Performance Beef
May 15th - Carcass Value Pigs, Market Pigs, Commercial Gilts, Registered Breeding Gilts, Market/Carcass Lambs, Commercial Ewes, Breeding Meat Goats and Market Meat Goats

Mail all DNA materials, nose print cards (Performance Beef) and payment to the Iowa State Fair FFA Entry Department on or before the nomination date. Please mail to the address listed below:

> Iowa State Fair
> FFA Entry Department
> P.O. Box 57130
> Des Moines, IA 50317

Nominations must also be submitted online on or before the nomination date.

NOMINATION PROCESS
Obtain all necessary signatures needed for nose prints (Performance Beef) and DNA samples. If a parent or the exhibitor is not present, they will need to obtain signature waiver forms from their FFA advisor. The completed wavier forms must be sent to the FFA Entry Department with the DNA samples on or before the nomination deadline.

The exhibitor's FFA advisor and one other adult must witness and supervise the weighing, tagging and collection of hair samples for all pigs. Nomination of FFA lambs and meat goats must be witnessed by an FFA advisor and another adult or be completed during a county weigh-in.

All extra tags and DNA envelopes MUST be returned to the Iowa State Fair by the nomination deadline, or the delinquent chapter will not be eligible to show at the 2018 Iowa State Fair and will be invoiced $4 per tag.

DNA ENVELOPES
An envelope must be submitted for each animal nominated. Using pliers, pull 20-40 hairs from the animal. Do not cut the hair with a knife or scissors. **Follicles (bulbs) must be attached to the base of the hair.** Place hair samples in an Iowa State Fair DNA envelope. Make sure envelope is sealed completely and that all hair is sealed inside the envelope. Once sealed, DNA envelopes are to remain sealed. **Be sure to clean pliers between animals as to not cross-contaminate samples.**
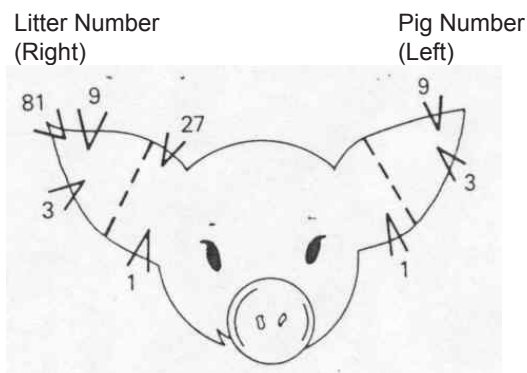

Each envelope must be completely filled out - including all signatures. If a parent or exhibitor is not present, be sure to use the signature waiver form and send it with the DNA samples.

MARKET PIGS, CARCASS VALUE PIGS, COMMERCIAL GILTS AND REGISTERED BREEDING GILTS
1. Pigs must be ear notched using the national ear notching system (1-3-9-27-81). The pig's right ear is the litter number and the pig's left ear is the pig number. **Ear notches will be checked at State Fair and <u>must</u> match nomination and entry records. If you have <u>any</u> questions about reading ear notches, please get a second opinion.**

Litter Number (Right)   Pig Number (Left)

Right Ear:
The right ear is used for litter mark and all pigs in the same litter must have the same ear notches in this ear. The right ear is the pig's own right.

Left Ear:
The left ear is used for notches to show individual pig number in the litter. Each pig will have different notches in this ear. The left ear is the pig's own left.

2. Each exhibitor is allowed to nominate a maximum of 40 total pigs and show a maximum of 4 crossbred and 4 purebred market pigs, 4 carcass value pigs, 2 commercial gilts and 6 registered breeding gilts at the Fair. Market and carcass value pigs can be either barrows or gilts. Nomination fee is $4 per pig.

3. All swine must be identified by the following methods:
    a. Ear Notches
    b. FFA Issued Ear Tag
    c. Breed, if registered, or Crossbred
    d. Sex
    e. Hair Samples to be used for DNA testing

MARKET/CARCASS LAMBS AND COMMERCIAL EWES

1. Each exhibitor is allowed to nominate a maximum of 25 market/carcass lambs and commercial ewes. Each exhibitor is allowed to show a maximum of 4 commercial ewe lambs, 4 commercial yearling ewes, 5 market lambs and 2 carcass lambs at the Fair. A lamb may be shown as market and carcass if two entries are submitted. Nomination fee is $4 per lamb.

2. All market/carcass lambs and commercial ewes must be identified by the following methods:
    a. FFA Issued Ear Tag
    b. Hair Samples to be used for DNA testing
    c. Sex
    d. Scrapie Tag

BREEDING AND MARKET MEAT GOATS

1. Each exhibitor is allowed to nominate a maximum of 30 total meat goats. Each exhibitor is allowed to show a maximum of 4 market goats, 4 breeding does and 2 breeding bucks at the Fair. Nomination fee is $4 per goat.

2. All meat goats must be identified by the following methods:
    a. FFA Issued Ear Tag or Registry Tattoo *
    b. Tattoo (not required)
    c. Birth Date
    d. Hair Samples to be used for DNA testing
    e. Scrapies Tag/Tattoo (does)
    f. Registration Number (if registered)

    * All meat goats must be identified at nomination time with either an official Iowa State Fair issued tag or does may use recognized registry tattoo numbers (both ears). Yearling and aged does must use current official Iowa State Fair FFA tags or may use recognized registry tattoo numbers (both ears). All meat goats must submit a DNA sample. If using a registry tattoo number for identification rather than a State Fair tag, list tattoo number on the DNA envelope.
