

# Madison Strief

SE Subdistrict Vice President

Hi! My name is Madison Strief and I am the daughter of Mike and Shawn Strief. I am the oldest in my family with a younger sister, Grace, and a younger brother, Adam. I live outside of Cascade on my family's farm where we have about 100 head of black angus cows and 12 horses. This is where my love for agriculture first ignited.

I am currently a junior at Western Dubuque High School. I am involved in FFA, National Honors Society, 4H, and the Junior Fair Board. Also I am the Muscatine Saddle Club Senior Queen.

Some of my favorite FFA memories include receiving 5<sup>th</sup> place and a gold at Nationals in Dairy Cattle Evaluation, serving as my Chapter's President this past year, WLC, State Convention, Greenhand Fire Up, competing in horse judging, and being elected to district office. In the future, my goal is to continue serving FFA members through different leadership positions.

I plan on graduating from West Dubuque in May of 2019. After graduation, I plan on attending Iowa State University majoring in Animal Science or Animal Nutrition. I wish to pursue a career in the agricultural field, continue to volunteer, and serve others.

Hometown:

Cascade

Chapter:

West Dubuque

SAE:

Equine Entrepreneurship
