

Cole Spain

NE Subdistrict Vice-President
Northeast District

Hi! My name is Cole Spain and I am the son of Vince and Stephanie Spain. I am the youngest of 3, my siblings are Alexis and Spencer. I have grown up on a farm south of Castalia, Iowa. I am currently attending Postville High School.

Extracurricular activities that I am involved with include: football, wrestling, Student Council, Student Ambassadors, and FFA which I have served as 2014-15 Chapter Treasurer, 2015-16 Chapter Vice-President, and 2016-17 Chapter President. My hobbies include spending time with my friends and family, sports, working on the farm with my SAE, and showing pigs, sheep and beef cattle.

Growing up on a farm, I have been passionate for agriculture since I was little. I also grew up in a family involved with FFA, my dad, sister, and brother have all been FFA members. Seeing my siblings in FFA started my passion for FFA, and since I joined FFA it has grown!

Some of my favorite FFA memories include; being elected in district office, participating and getting a gold in Ag Impact contest at state, and attending National and State Convention.

In the future, I plan on attending college to major in Agriculture Education or Animal Science.

I look forward to serving the Northeast District this year and I am so excited to meet, and build relationships with FFA members in the upcoming year!!
