

# Hannah Stimson

Northwest District Reporter 2017-2018

Hey ya'll! My name is Hannah and I am the daughter of Wyatt and Monica Glime. I have 1 sister, Presley (12) and 1 brother, Bailey (19). I am the middle child. I live three miles outside of Everly, IA and I am currently a junior at Clay Central - Everly High School in Everly.

I am involved in various activities including: volleyball, basketball, softball, National Honor Society, large group speech, youth group at my local church and obviously FFA. Until last year I had lived in town for my entire life. So as you can see you don't have to be from the country to find a passion and love for FFA and agriculture.

Some of my favorite FFA memories include; being elected into district office, SLCDO, facilitating at many different events such as GFU and COLT, National, State and District conventions and so much more.

In the future I hope to attend Creighton or UNI for Pediatrics or Iowa State or DMACC to get on the Agribusiness track. If I go to Iowa State or DMACC I hope to become an Iowa State FFA Officer.

## Chapter:

Clay Central- Everly  
Chapter

## SAE:

My SAE is working in the office and on trailers for our family livestock hauling business.
