

Makayla Nims

2017-2018 Northwest District Secretary

Hi! My name is Makayla Nims and I am the daughter of Mike and Lesa Nims. I have one older sister, Staci. My family lives in Peterson and I attend school in Sioux Rapids where I am currently a junior at Sioux Central High School.

The extracurricular activities I am involved in include track, wrestling cheer, large group speech, jazz band, choir, 4H, cross country, and youth group. I enjoy being involved in school activities and with the community. I am also involved in FFA. At the chapter level, I was the 2016-2017 Secretary and I am currently the 2017-2018 President.

My love for agriculture started when I was a little girl and would ride in the tractor with my dad, or ride horses with my mom. My love has continued to grow as I have taken agriculture classes and joined FFA. FFA has really helped me to grow into a better leader, communicator, and person. Some of my favorite memories through FFA are sending my Conduct of Meetings team to state, and my Experience the Action team as well. And of course, becoming a district officer!

My future plans are undecided, but I will probably start at a 2 year college and then transfer to Iowa State. My career choice is undecided as well, but my career path will most likely be in the medical field.

Chapter:

Sioux Central FFA

SAE:

My SAEs are Swine Production, Small Animal Placement, Cattle Production, and Equine Placement.

Fun Fact:

I have the same initials as my dad!

Fav. FFA thing:

Going to state and national convention and getting to meet to people!
