

Nole Bochmann

Northwest District Sentinel 2017-2018

Hello! I'm Nole Bochmann, the 15 year old son of Jarad and Christy Johnson and Todd and Bethany Watts. I am a Sophomore at Graettinger-Terril High School. I am the oldest of 5 siblings. At first I lived in Story City, Iowa, but have called Graettinger my home for the past 11 years.

My extra curricular activities include football, wrestling, golf, baseball and of course FFA. I am serving as the 2017-2018 Northwest District Sentinel as well as the current Vice President of my chapter. Most of the time you guys will find me walking the links at the Graettinger Golf Course or hanging out with my friends.

Believe it or not, my freshmen year of high school was the first real hands-on agricultural experience I ever had. Being involved with FFA the past two years and working on a farm all summer for my SAE, I have developed a crazy passion for agriculture!

Some of my favorite FFA memories include; hearing my name called by Blake Lineweaver to announce I had become a District Officer, going to National convention the last two years, and attending State convention every year because of how big of an Iowa State fan I am!

In the future, I plan on running for state office at the Iowa FFA Leadership Conference. I also plan on attending DMACC in Ankeny for two years then transferring to Iowa State in Ames (Go State!) to major in Ag Education. Once I graduate, I want to put my major to use and become an Ag Teacher as well as an FFA Advisor!

Chapter:

Graettinger-Terril

SAE:

Placement: General
Farmhand
