

Ali McDonald

2018 - 2019

NE District Secretary

I'm Ali McDonald, a junior at New Hampton High School. I am the daughter of Cory and Shelly McDonald and have three other siblings. Cole (the oldest), Me, Hope (third oldest), and Jacob (the youngest). Other than FFA, I am involved in many different things.

Some of these activities are dance, cheer, and golf. After my graduation in 2019, I plan to attend a four-year university, and pursue early childhood education. I have lived in town, at New Hampton, Iowa all my life, but that hasn't my growing passion for agriculture! I am the first one out of my family to be involved with FFA. FFA has helped me go out of my comfort zone and grow as a person. in many different ways. Being a district officer was always a dream I had since my freshman year. So this year, I look forward to making relationships and reaching out to members and helping them grow in their passion for agriculture.
