2014 IOWA FFA DEGREE RECIPIENTS

Ames, IA - The Iowa FFA Degree is the highest degree that can be bestowed upon an FFA member by the Iowa FFA Association each year. Only 5% of the FFA members in Iowa receive the degree each year. The degree was presented at the 86th Iowa FFA Leadership Conference on April 29, 2014, at Iowa State University, Ames, Iowa.

To receive the Iowa FFA Degree, FFA members must meet the following standards: 1.) Have been an active FFA member for at least 24 months; 2.) Have completed at least two years of systematic instruction in agricultural education; 3.) Have earned and productively invested at least \$1,000 or worked at least 300 hours in a supervised agricultural experience program; 4.) Have a satisfactory scholastic record; 5.) Have demonstrated leadership abilities from a specific list of activities; 6.) Have completed 25 hours of community service; and 7.) Have participated in at least five different FFA activities above the local level.

Each Iowa FFA Degree recipient receives a certificate and the golden State FFA Degree Charm pin, which is made possible with support from DuPont Pioneer through the Iowa FFA Foundation.

The Iowa FFA Association has 219 local chapters with 14,200 FFA members. FFA is a national organization of nearly 580,000 members preparing for leadership and careers in science, business and technology of agriculture. Local, state and national programs provide opportunities for students to apply knowledge and skills learned in the classroom. FFA's mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.
