# Entrepreneurship Agreement

Crop Production

Mike Crometer

100%

1/1/2013

to

1/1/2013

Percent Ownership:

1. Project Description: kind, size, and duration

6 acres of land planted to corn for one growing season.

2. List the names of all partners. Specify the role of partner(s). What will partners provide?

Mike Crometer: Owner-Provides all payments for seed, labor, chemicals and fertilizer, etc. Also provides most care and maintenance labor and operates equipment for tillage, planting, and harvest.

3. What I will provide.

I will provide all payments for seed, labor, chemicals and fertilizer, etc. I will also provide most care and maintenance labor and operate equipment for tillage, planting, and harvest.

4. How will profits be utilized? How will losses be managed? What % of the profits will I receive?

My profits will be reinvested into either crop or livestock purchase for the next year. If there is a loss, I will re-evaluate my management practices and strategize on how to be more profitable the next year. I receive 100% of the profit and take 100% of the loss.

5. What % of the income will my partners receive? How will the partner's profits be utilized?

I have no partners in this enterprise.

6. Other agreements: Insurance, marketing, record keeping responsibilities, etc.

The crop and land will be insured under my father's policy, since it is being rented and is currently under that policy. I will make all marketing decisions to the best of my ability and keep all records, as carefully and accurately as possible, myself.

*We, the undersigned, indicate that we have read and understand the purpose and intent of this agreement.*
