

Tyler Comes

2018-2019 SW District Vice President

My name is Tyler Comes and I am the son of Chad and Tresa Comes. I am 17 years old and attend Atlantic High School. I have two younger siblings, Dylan and Lauren. During my free time you can catch me out with my cows in the pasture. FFA has been an important part of my life, as all of my family members have been involved in my home chapter. I currently serve as Chapter President. I participate in livestock judging, Ag Sales, and and Extemporaneous Speaking. After high school I hope to attend DMACC and transfer to Kansas State University majoring in Agribusiness and maybe minoring in Animal Science. I look forward to serving you all this upcoming year!
