

Walker McDermott

2017-2018 SW District Reporter

I am Walker McDermott, son of Beth McDermott. I am 17 years old and a junior at CAM High School. I have two older siblings, my brother Dexter and my sister Morgan. Besides FFA, I am involved in Student Council, 4-H, Boomerang, the Iowa junior beef breeds association, and the Iowa swine jackpot series. When I'm not in FFA attire, you can catch me working with my pigs, calves, sheep, and working on my golf swing.

FFA has been a part of my life for as long as I can remember. FFA runs four generations deep in my family, so I guess you could say I was introduced into this organization before I was even born.

My involvement in FFA started when I would help set up the decorations for my older brother's FFA banquet. I have been honored to serve as the CAM FFA middle school President; the CAM FFA sentinel and president. Some CDE's I have participated in are Livestock Judging, Soils Judging, Creed Speaking, and Ag Sales.

I haven't quite figured out where I am going being I am only 17, but in the future I hope to attend Eastern Oklahoma State College to join their livestock judging team and double major in Animal Science and Ag Communications. After two years I want to transfer to Oklahoma State University to finish out my double major.

I can't wait for to experience this upcoming year with all of Iowa. I hope I can help guide you all and help everyone try to achieve some of their goals.
