

2024 IOWA STATE FAIR

Have You Herd?

Have You Herd? Provides livestock education to the public while showcasing the Fair's youth exhibitors in both 4-H and FFA.

We're **looking for exhibitors** from a variety of backgrounds and ages to conduct live animal demonstrations about raising and showing sheep, swine, beef, dairy, goats, poultry horses, llamas and rabbits. Exhibitors must be exhibiting at the Iowa State Fair. Demonstrations are around 30 minutes, including time for question and answer.

Volunteers will receive a gift from Sullivan Supply Co. along with Fair admission and a Have You Herd? t-shirt. Demonstrations will take place throughout the Fair, August 8-18.
