### **III. Rules**

The rules governing Sub-District, District and State events, in addition to general rules for all Leadership CDEs, are as follows:

1. Each team will be composed of seven (7) active members who may **NOT** be past their **sophomore** year in high school. Each team will be organized so that they will have representatives acting as:
  - President
  - Vice President
  - Secretary
  - Treasurer
  - Reporter
  - Sentinel
  - Advisor

The seventh (7<sup>th</sup>) member will take the part of Chapter Advisor. This member shall accept the role of the Chapter Advisor in an official FFA meeting and will participate in the discussion as an Advisor.

2. Upon entering the room the Sentinel will be required to arrange the paraphernalia/equipment for the meeting according to the Official FFA Manual. This will be done before other team members proceed to their stations. The Sentinel shall not move or rearrange the tables in the room. The event chairperson will designate the front of the room to the Sentinel.
3. The team members will open the meeting demonstration with the Official Opening Ceremony as printed in the edition of the Official FFA Manual for the previous school year, will conduct a short demonstration of the two parliamentary procedure abilities and close the meeting with the Official Closing Ceremony.
4. The demonstration of parliamentary procedure abilities should be limited to the abilities that are assigned. Demonstration of additional abilities will be viewed as a distraction. The “Knowledge of Correct Parliamentary Procedure” will be evaluated by the judges as follows:
  - a. First preference to teams that accurately demonstrate the assigned abilities without error.

- b. Next preference to teams that demonstrate the assigned abilities, with errors, but proper corrective action was used (example: rise to a point of order).
  - c. Last preference to teams that unnecessarily added abilities beyond the assigned abilities.
5. Each team will be asked to demonstrate two (2) of the following abilities:
    - To receive and dispose of a main motion
    - To amend a motion
    - To rise to a point of order
    - To refer to a committee
    - Table a motion
  6. The State event may also include the following abilities in addition to the five listed above.
    - Take a motion from the table
    - To reconsider a motion
    - To suspend the rules
  7. No props are allowed during the event.
  8. The Secretary of each team upon entering the room will pick up two (2) abilities from the table near the door. Included also will be the items of business to demonstrate. **The section of the Opening Ceremony pertaining to the roll call of members will be omitted.** Failure to complete these tasks will result in point deductions. The team will determine the most businesslike method for the presentation of the different abilities.
  9. Following the demonstration and questioning period, the Secretary will return the list of abilities and items of business to the table by the door. Also the Sentinel will return the paraphernalia/equipment to the storage table following the questioning period. Points will be deducted if this rule is not followed according to the scoring rubric found in the Scoring Rubrics/Judging Sheets section of this document for this event.
  10. The time for each demonstration will be ten (10) minutes with a warning given after eight (8) minutes have elapsed. The timekeeper will hold up a card with an eight (8) on it. Points will be deducted for presentations exceeding ten (10) minutes (0.1 point per second overtime). Time will start at the rap of the gavel by the team's President.
  11. At the conclusion of the demonstration, the event chairperson will read five (5) questions, without explanation, to each team. Any team member may respond; however, maximum points can only be awarded for team participation. If more than one team member wishes to respond to a specific question, the judges will designate which member to answer first. The previous year's Official FFA Manual and/or the latest edition of the FFA Student Handbook shall be the reference source for questions. If there is a discrepancy between the two references, the Official FFA Manual shall take precedence.
  12. In the Sub-District event, the judges will designate the two (2) highest chapter teams to compete in the District event. In each District, the judges will designate the two (2) highest chapter teams to compete in the State event. The judges at both the Sub-District and District levels shall name an alternate team. The judges at the state level shall rank the top three (3) teams. The top team will compete in the National event. **NOTE: eligibility at the National FFA event is limited to members in grades 7-9 at the time of qualifying.**
  13. There shall be no participation by the audience.

Suggestions For a Quality Demonstration:

- Teams are encouraged to have eligible members other than the secretary introduce an item of business. The secretary has the information printed in front of them and it is more impressive for other members of the team to introduce business based on what the Secretary shares.
- Members are encouraged to remain at their respective officer stations after the demonstration to answer questions. This allows for easier recognition of members that wish to answer a question as the facilitator of the questions can address the member by their officer position.
- Teams are encouraged, when a question is intended to be answered by multiple members, to start the initial answer with “May we answer this question as a group” and proceed to answer all desired parts of the question from the group without additional acknowledgement.
- Members are encouraged to avoid unnecessary interactions (example: handshakes) with the judges. Judges may have scores and information from other teams in their work area and approaching them can make them uncomfortable.

**Questions will be asked from the following sections of the Official FFA Manual**

**(Page numbers from 2018-2019 version)**
