FFA ASSOCIATION

About State FFA Nominating Committee

FFA members have the opportunity to serve the organization in many capacities. One distinguished opportunity available to twelve FFA members is service on the Iowa FFA nominating committee. This committee will interview candidates and set the state officer election ballot prior to the State FFA Leadership Conference. This resource and the State Officer Selection Process Webpage has information about being a nominating committee member and outlines the specific processes involved in the selection of this committee.

Selection of the nominating committee is a critical first step in the state officer selection process. To ensure that the nominating committee is qualified to select the next year's Iowa FFA officer slate, specific board policies and procedures have been established to guide the selection and conduct of the nominating committee. Beyond these Board policies, the Iowa FFA Association staff has implemented several administrative procedures to further ensure that the nominating committee is prepared for the task of selecting the Iowa FFA officers.
