2016 Iowa FFA Degree Recipients

AMES, IA - The Iowa FFA Degree is the highest degree that can be bestowed upon an FFA member by the Iowa FFA Association each year. Only 5% of the FFA members in Iowa receive the degree each year. The degree is presented at the 88th Iowa FFA Leadership Conference on April 19, 2016, at Iowa State University, Ames, Iowa.

To receive the Iowa FFA Degree, FFA members must meet the following standards: 1) Have been an active FFA member for at least 24 months; 2) Have completed at least two years of systematic instruction in agricultural education; 3) Have earned and productively invested at least \$1,000 or worked at least 300 hours in a supervised agricultural experience program; 4) Have a satisfactory scholastic record; 5) Have demonstrated leadership abilities from a specific list of activities; 6) Have completed 25 hours of community service; and 7) Have participated in at least five different FFA activities above the local level.

Each Iowa FFA Degree recipient receives a certificate and the golden State FFA Degree Charm pin, which is made possible with support from DuPont Pioneer through the Iowa FFA Foundation.

The 2016 Iowa FFA Degree recipients are listed below.

About Iowa FFA Association

The Iowa FFA Association is a youth organization of over 14,800 student members as part of 226 local FFA chapters across Iowa. The FFA mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. The Iowa FFA Association was organized by delegates from 23 schools at Iowa State College on May 17, 1929 and is an integral part of public instruction in agriculture. The Iowa Department of Education provides leadership and helps set direction for FFA as a service to local agricultural education programs.
