News Release

Agriscience Fair Winners Announced

ANKENY, IA - The Iowa FFA Agriscience competition was held virtually during the month of July. The Iowa FFA Agriscience Fair is open to 7-12 grade students. Students have the opportunity to exhibit their Agriscience research in six different categories: Animal Systems; Environment Services/Natural Resource Systems; Food Products and Processing Systems; Plant Systems; Power, Structural and Technical Systems; and Social Systems. FFA members from Iowa that are selected as a national finalist in grades 7-12 may earn the opportunity to compete in the National FFA Agriscience Fair later in the fall.

As part of the National FFA Agriscience Fair, students showcase their project and interview with a panel of judges. After all students have been interviewed, national summer judging scores are then combined with convention interview scores to calculate the overall ranking of projects within each category and division. Each participant is ranked gold, silver or bronze and receives a pin. The top three projects in each category and division are recognized for their efforts on the main stage during a general convention session. During this recognition ceremony, final ranking is announced.

The top three projects in each category received medals for their achievements and each overall division winner will receive a plaque. The Agriscience Fair was made possible with support through the Iowa FFA Foundation.

The results from the FFA Agriscience Fair are listed below.

About Iowa FFA Association

The Iowa FFA Association is a youth organization of over 16,100 student members as part of 246 local FFA chapters across Iowa. The FFA mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. The Iowa FFA Association was organized by delegates from 23 schools at Iowa State College on May 17, 1929 and is an integral part of public instruction in agriculture. The Iowa Department of Education provides leadership and helps set direction for FFA as a service to local agricultural education programs. For more, visit the Iowa FFA Association online at IowaFFA.com, on Facebook, and Twitter.

2020 Agriscience Fair Results

Winner	Rating	Div	System Area	Chapter PO	Chapter Name	Student 1	Student 2
	Silver	1	Animal Systems (AS)	Dyersville	Beckman Catholic	Haley Kluesner	
	Gold	1	Animal Systems (AS)	Spencer	Spencer	Adalyn Schoelerman	
	Gold	3	Animal Systems (AS)	Dyersville	Beckman Catholic	Jasmyn Hoeger	
	Gold	3	Animal Systems (AS)	Dyersville	Beckman Catholic	Isabell Kruse
