About Iowa FFA Association

The Iowa FFA Association is a youth organization of more than 19,800 student members as part of 263 local FFA chapters across Iowa. The FFA mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. The Iowa FFA Association was organized by delegates from 23 schools at Iowa State College on May 17, 1929 and is an integral part of public instruction in agriculture. The Iowa Department of Education provides leadership and helps set direction for FFA as a service to local agricultural education programs.
