News Release

2022 National FFA Convention and Expo, October 26 – 29

INDIANAPOLIS, IN--The 95th National FFA Convention & Expo celebrated its annual in-person convention beginning October 26th and concluded on October 29th. More than 69,000 FFA members and guests from throughout the United States, Puerto Rico, and the U.S. Virgin Islands attended this year's event. The in-person National Convention & Expo was held in Indianapolis this year as part of the organization's long-term hosting partnership with Indianapolis that will run through 2033.

The convention and expo kicked off in Indianapolis, Indiana on Wednesday, October 26th. Seven general sessions were held at Lucas Oil Stadium. On the morning of Saturday, October 29th, a special ceremony was held where American FFA Degrees, the highest degree for an FFA member, was bestowed upon more than 4,000 members.

The Iowa FFA Association had representation from more than 3,000 attendees involved in all facets of the event. The following is a summary of results and accomplishments of Iowa FFA members in the respective national events.

American Star Finalists

Each year at the National FFA Convention & Expo, four FFA members are honored with American Star Awards for outstanding accomplishments in FFA and agricultural education.

The American Star Awards, including American Star Farmer, American Star in Agribusiness, American Star in Agricultural Placement and American Star in Agriscience, are presented to FFA members who demonstrate outstanding agricultural skills and competencies through completion of an SAE. A required activity in FFA, an SAE allows students to learn by doing, by either owning or operating an agricultural business, working or serving an internship at an agriculture-based business or conducting an agriculture-based scientific experiment and reporting results.

Sixteen American Star Award finalists from throughout the U.S. are nominated by a panel of judges who then interview the finalists during the national convention and expo. Four are named winners and receive cash awards totaling \$4,000.

--Blake Frascht of the Charles City FFA Chapter was selected as an American Star Farmer Finalist.

About Iowa FFA Association

The Iowa FFA Association is a youth organization of more than 18,600 student members as part of 254 local FFA chapters across Iowa. The FFA mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. The Iowa FFA Association was organized by delegates from 23 schools at Iowa State College on May 17, 1929 and is an integral part of public instruction in agriculture. The Iowa Department of Education provides leadership and helps set direction for FFA as a service to local agricultural education programs. For more, visit the Iowa FFA Association online at IowaFFA.com, on Facebook, and Twitter.
